

11 January 1951

MEMORANDUM FOR: The Director

FROM: Legislative Counsel

Chairman Murray of the House Civil Service Committee did everything in his power to secure passage of the dual compensation legislation for us in the last Session of Congress. He succeeded in steering it through the House, but it was lost on the last day in the Senate through no fault of Congressman Murray's.

I think we should send this letter of appreciation as they will attempt to get the bill passed this Session.

STATINTL

Walter L. Pforzheimer
